WODONGA

5 3 5

Whether it be the uninterrupted views, the generous 48 square Federation style home or the 1700m² block in a prestige location, this property has much to boast about.

With 5 bedrooms plus study, three bathrooms, three living areas, outdoor entertaining and 5 car garage plus workshop, there is a place for everything and everyone.

Other features include ducted heating, cooling and vacuuming, 3-phase power, wood heater, ceiling fans, walk-in pantry, walk-in-robe to master and a wine cellar.

The property includes low maintenance established gardens, a second driveway for rear yard access, separate car park and plenty of private yard for a pool or just to play.

The home has been carefully maintained and is ready for you to move in and enjoy. Glass of wine on the balcony anyone?
