WODONGA

3  2  2 

Space: Practicality: Convenience

Just four years old and fully established, this 20 plus square home has plenty to offer:

- * Spacious open plan kitchen, meals and family with all the mod cons one craves in a new home
- * Three good size bedrooms and study
- * En-suite to master bedroom
- * Double garage and North facing outdoor living with solar lights to add atmosphere to those BBQ's or quiet moments discussing your busy day.

We only live once so why not enjoy it in style
