

3 Highland Crescent Wodonga VIC

4 2 1

From an era when pride in workmanship was the norm rather than a virtue we are proud to present this genuine four bedroom family home in quite residential location on a more than generous block.

Price : \$ 307,500

From the hardwood frame to the slate floor tiles to the beautiful garden this home will capture your heart.

All bedrooms are of a good size with all rooms capable of having two single beds and room to move. There are three distinctive living areas with a formal lounge dining, Blackwood kitchen meals plus a recently added family room that engages the sun but has double glaze windows.

The main bathroom and en-suite have recently been renovated to reflect more modern tiles and decor. An large
