

40 Beardmore Street Bethanga VIC

2 1 4

Sparkling, near new home on 1.17 Ha or 2.89 acres approx. reluctantly offered for sale. Meticulously prepared and presented there isn't a thing out of place.

From its elevated position it offers outstanding views to the township and hills beyond to the huge accommodating shed that people only dream of.

Just over 5 years old this unique property would be suited to those starting out, as potential exists to add further sleeping accommodation, to the couple who are looking to slow down, maybe lock up and travel, knowing their low maintenance home and garden will be waiting for their return.

With the upgrade of the Riverina Highway and other roads Bethanga has become even more accessible to Albury & Wodonga. Your inspection wont disappoint.

Land Size : 2.89 Acres
