### 153 Millers Lane STAGHORN FLAT VIC

Ok, from the outside it looks like a shed, but don't dismiss it until you view inside where you'll find a very comfortable 3 bedroom home. Situated down a quiet country lane on a private block the property features large open living/dining/kitchen with timber floor and gas cooking, wood heater, split system heating & cooling, 3 good size bedrooms, large bathroom/laundry and the views, well they are stunning! Gardening included.
