

3 Hawk Place Wodonga VIC

4 2 2

Great family home with plenty of space inside and out. Walk up the large driveway into the front of the property and the formal lounge is on your right, walk down the fall way and you enter the kitchen with two further separate areas for dining and living space. From there the area opens up on to a large back veranda and great back yard. The kitchen offers a dishwasher and gas cooking and being open onto the other areas gives a great entertainment/family space all year through.

The main bedroom is located at the front of the property and is complete with a walk in robe and en suite. The three other rooms are a good size with built in robes. The main bathroom has a shower and bath and the toilet is located in a separate room with the powder room located just outside.

Ducted heating and cooling throughout and a large double automatic garage as well as solar power.
