

31 Firestone Way Wodonga VIC

3 2 2

This lovely home sets the standards of energy efficient design and construction allowing natural light to the formal and informal living zones which have ducted heating and cooling. The property features 3 bedrooms and study/rumpus. The parents retreat to the rear of the property has an ensuite/powder room and direct access to a decked sitting area capturing excellent views of the distant hills. The beautiful kitchen has quality SMEG appliances. The double lock up garage with remote has rear access to the low maintenance block and you'll enjoy a formal courtyard entry and separate courtyard. A home that set the standard for others to follow.
