

30 Cassia Street West Albury NSW

This affordable split level home is situated on a secluded, spacious block at the end of a no through road. All three bedrooms have a northerly aspect looking out on to the beautiful hills of Nail Can. 30 Cassia Street has gas heating and a split system air conditioner. The vaulted ceilings give a feeling of space without the area to clean. The kitchen is spacious with plenty of bench space and a view from the window over the west Albury valley. With no neighbouring ability to see into the block, this house really does feel private. Secured yard is good for pets or the avid gardener. Book an inspection today.
