Do you want the country life with all the luxury of modern convenience? Do you want a nice home and garden but hubby wants a huge shed and storage? Well this is the home for you. Spacious, cosy, warm, entertaining. It offers four bedrooms, all with built-in robes, full bathroom plus ensuite, lounge/meals area and separate large family room with wood heater, ducted gas heating and cooling throughout. Outside it features a combined BBQ and entertaining area, established gardens, chook shed (with chooks), large storage shed plus a massive garage/workshop with high remote roller door, shelving, cupboards and wood heater. Will impress!
