This modern four bedroom home is located in a prime position. A short walk to shops, schools, doctors and recreational activities. Turn the key to this well laid out property and you are greeted with a very large formal lounge room. Overlooked by the gourmet kitchen with gas cooking, dishwasher and walk-in pantry the open plan living is ideal, with views of the undercover outdoor area and back yard. Master bedroom with en-suite and walk-in robe, is located to the rear of the property along with the other 3 spacious bedrooms. Remote DLUG and ducted heating and cooling really do make this place perfect for the family.
