Look no further. Situated in the desirable Cambourne Park this property would suit the most fastidious of tenant. The quiet street leaves you with sense of tranquillity that is hard to find when living in town. The master bedroom has a great easterly aspect with views of the hills, complemented by an enormous walk in robe and ensuite with spa. The formal lounge also shares the same view. Not that you have to rely on the fire though as the property has ducted gas heating and ducted evaporative cooling. Off the formal lounge is a dual purpose formal dining/study. The open plan kitchen boasts enough bench space to start a catering company. The family meals leads out to an enormous outdoor entertaining with built in gas BBQ and easy care grounds. The 2 other bedrooms are king size rooms with built in robes. Master bath has more than enough room for a family. The property is completed with an oversize double lock up garage with work bench, and side access for a
