12 Last Street Beechworth VIC

4 2 1

Oozing charm and patina of a bygone era, this four bedroom home in the idyllic town of Beechworth is the perfect spot to either raise a family or kick back and let the world fly by while you relax in the picturesque gardens. The open plan main living area is overlooked by the gourmet kitchen that features a dishwasher and electric cooking. Split system heating and cooling backed up by wood heating and ceiling fans, ensure the perfect climate control year round. All bedrooms are the generous size that you would expect from a period home and the property is equipped with two bathrooms and a separate large library or second living space. A home like 12 Last Street rarely becomes available on the rental market.
