The big, country style homestead boasts five bedrooms, ensuite, study and two separate living areas with plenty of room to enjoy. A large solid timber kitchen looks out over the dining area to the stunning views of the Kiewa Valley while the ducted heating and cooling plus freestanding wood heater and double glazing ensures the home will always be comfortable. Outside there is amazing space with a double carport (and room for storage containers). The farm situated on 4.5 acres has high quality pasture, is well fenced and excellent gravity fed spring water. Located just 30 minutes from Albury/Wodonga and five minutes from Dederang, this farm is in a beautiful part of North-East Victoria.
