Tucked away, you will find this hidden gem! This large family home is located in one of the most private streets of White Box Rise, also backing onto parkland. It features four bedrooms plus a study or fifth bedroom. Large master bedroom with ceiling fan, walk in robe and ensuite with double shower, double basins and separate toilet. All other bedrooms having built in robes and cupboard to the study / fifth bedroom. The two separate living areas are large, and you will have all year round creature comforts with ducted heating and cooling, plus a refrigerated split system in the family / meals area. The kitchen features a 900mm freestanding gas cooktop, dishwasher and walk in pantry. From the kitchen, overlooks the all-weather private alfresco area perfect for entertaining, whilst the double lock up garage has remotes and internal access. The yard is super easy to maintain, but the best feature of this property is the
